

# SALTON SEA COMMUNITY MEETINGS

**What's next for the Salton Sea?**  
**How can you get involved?**  
**Have you heard of the long-range plan?**

**AUGUST 31, 2021  
2:00PM-4:00PM**

**SEPTEMBER 2, 2021  
5:30PM-7:30PM**

Please join us for a community meeting to learn about important matters happening at the Salton Sea. At the meeting we will:

- Meet team members leading the Salton Sea Management Program
- Hear from the experts studying proposals to bring water into the Salton Sea
- Learn about the creation of the long-range plan
- Share your experiences

You can participate via Zoom or Facebook Live from a computer or by calling over the telephone. There will be meetings during the day and at night so more people can attend. Each meeting will be the same so no need to attend twice. Spanish interpretation services will be provided.

Let's plan for the future together!
